

## GO™ v pensionsWEB

As DC members of the Affinity Pension Plan you now have access to 2 pensions websites to provide you with information, allow you to notify personal changes, make various changes to your plan and see the performance of your fund. To avoid confusion, the table below shows which site to access for which activity.

### pensionsWEB

**Notify a change of address**

**Notify a change of email**

**Notify a change to your preferred method of communication**

**View your current expression of wish**

**Add or change an expression of wish form**

**View the value of your fund on a day to day basis**

**See where your funds are invested**

**View the timing and amount of all investments**

**View the performance of the pension investment funds**

**Download copies of guides, booklets, factsheets etc**

**Model projected pensions for changes in contribution rate or retirement date**

**See links to other sources of information**

**pensionsWEB helpline 0207 082 6182**

### **GO Portal**

**Change your contribution rate**

**Change your retirement date**

**Enter details of other pensions or savings that will be used in your GO projections**

**Enter details of your personal target income on retirement**

**See a projection of your likelihood of achieving your target retirement income**

**View options to achieve your target if currently not on track**

**GO Portal helpline 0207 082 6104**
